Welcome to St. Catherine's Center for Children

Dear Friends,

The past fiscal year was challenging, but our resilient team persevered to provide hope to thousands of vulnerable children, families, and adults throughout the state. Despite our fiscal constraints, we were able to expand our reach compared to the previous year.

While we are known, mostly, as a leading human services provider in the Capital Region and Hudson Valley, our programming stretches into the North Country and down to Long Island. This year, we extended our footprint to include Central New York, the Mohawk Valley, and even Western New York. We grew from providing services in seven regions of the state to ten. We also served 54 different school districts compared to the 24 we served last year. At St. Catherine's, where we find a need, we will find a way to fill it.

Our Homeless & Housing Services provided shelter and stability for 261 families recovering from significant trauma. Our Community-Based Services met 672 families at schools and homes, serving them where they are at. Our Foster Care and Kinship teams served 136 families, connecting children with loving and supportive environments to heal and grow.

Throughout our long history, St. Catherine's has been able to enhance its presence and amplify its impact thanks to help from friends like you. As a publicly-funded, non-profit we count on our donors to help us make ends meet. Your dollars help us fund therapeutic art programs for children suffering from trauma. Your donations provide meals and essential items for families in times of crisis. Your support helps us move the homeless into supportive housing. Your contributions have an immense impact on those we serve!

We would like to extend a special thank you to our incredible community partners, donors, and volunteers for their support throughout the year. Our work would not be possible, nor would our impact be as great, without your efforts. If this is your first introduction to St. Catherine's, welcome! We are grateful to all who support our mission and we look forward to working with you in the coming year as we continue to provide hope for tomorrow.

Yours In Service,

Kevin Doherty
Executive Director
St. Catherine's

Michele Puleo O'Hare
Executive Director
Foundation

St. Catherine's Leadership 2024-25

St. Catherine's Center for Children is a non-profit, human services organization based in New York's Capital Region. Its two arms - the Agency and the Foundation - are directed by their own Boards, but work together as a team with the Agency overseeing programs and services while the Foundation oversees all development efforts.

Our Impact Throughout New York

Our team of 300 full- and part-time professionals – spread across more than ten locations in both the Capital Region and Hudson Valley – serves children, families, and adults struggling with housing insecurity, physical and emotional abuse, special education needs, developmental disabilities, mental health issues, substance abuse, trauma and more.

While based in Albany, New York, St. Catherine's and its many programs served 37 New York State counties in the past year.

NYS Regions Served: 10

Capital Region	Long Island

2024-25

By the Numbers

As a leading regional human services organization, St. Catherine's annual operating cost is \$22.76 million – 86% of which is from programs and services, while only 14% can be attributed to administrative expenses. As a non-profit organization we are funded through state and federal contributions, grants, and private donors.

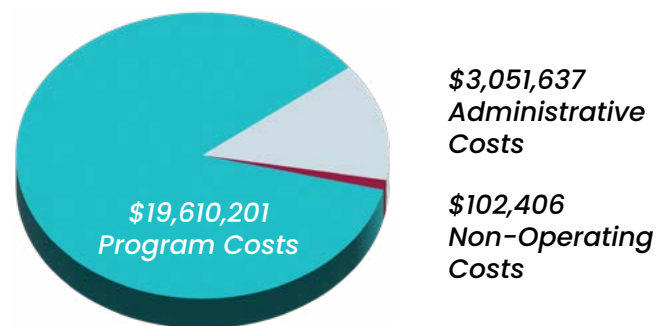

Program Area	Children Served	Adults Served	Families Served
Community-Based Services	853	242	680
Foster Care & Kinship Care	187	84	138
Homeless & Housing Services	219	282	261
Prevention & Family Support	517	197	493
R & E May School	60	N/A	60
Residential Services	65	N/A	65
Total	1,901	805	1,697

Revenues

Total Revenues: \$22,465,511

Expenses

Total Expenses: \$22,764,244

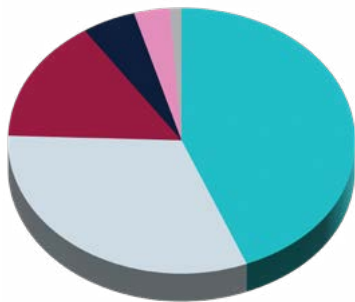

Note: Approximately 86% of Agency expenses during this fiscal year were program and services related, while the remaining expenditures covered administrative costs.

Sharing Our Message

Our Marketing & Communications Department is tasked with telling the many stories of the work and successes of St. Catherine’s Center for Children, in addition to increasing brand awareness and promoting our programming and events.

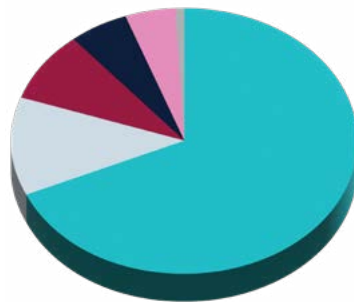

Effective and timely public relations, media relations, advertising campaigns, and social media campaigns allow us to capture a larger share of the public’s attention thereby increasing our brand awareness and necessary support.

Share of Media Mentions

● St. Catherine’s Center for Children	44.2%
● Together for Youth (Berkshire)	31.6%
● St. Anne Institute	15.0%
● Vanderheyden	4.9%
● Sidewalk Warriors – Troy	3.4%
● Northern Rivers	1.0%

Share of Social Media Voice

● St. Catherine’s Center for Children	68.3%
● St. Anne Institute	21.1%
● Together for Youth (Berkshire)	8.5%
● Vanderheyden	5.5%
● Sidewalk Warriors – Troy	4.9%
● Northern Rivers	0.6%

Advertising Campaigns

Corporate Partnership

The Albany FireWolves partnership provided us in-game advertising at home games (averaging 5,000 fans per game), multiple press opportunities, and several donations.

Mass Transit

CDTA Buses traveling around the Capital Region carried our hiring ads for 12 months, garnering 533,000, impressions per month.

Radio

Our 12-month campaign with Albany Broadcasting, averaged 215,000 impressions per month while promoting fundraising events, career opportunities and our need for foster families.

Social Media

12 campaigns on Facebook and Instagram and 2 on LinkedIn averaged 128,300 impressions per campaign while advertising career opportunities and event sponsorship opportunities.

Compassionate Hearts Volunteer Program

Volunteers are essential to the work that we do – helping us build a warm, compassionate community for our children and families. The role of every volunteer varies depending on their unique experiences and skills, time commitments, and the opportunities available.

Active Volunteers

Those considered “Active Volunteers” for the Agency give time to the program at least once per month, although most volunteer time every week. This year, among the 24 volunteer applications the program received, 7 individuals were found to be a good fit, successfully onboarded, and are now actively volunteering.

Our Programs & Services

St. Catherine's Center for Children offers a wide array of programs and services that fall under one of six divisions: Community-Based Services, Foster Care & Kinship Care, Homeless & Housing Services, Prevention & Family Support, the R & E May School, and Residential Services.

Community-Based Services

These programs fill needs in local neighborhoods, towns, or school districts. Lansingburgh Connects – a joint initiative between St. Catherine's, Lansingburgh CSD, and Rensselaer County Mental Health – links students and their families with much needed mental health and social supports.

Our Family Opportunity Center – Connections to Care – bridges the gap between the needs of our community and the resources available to them. This dedicated team helps many families. Recently, it was able to aid a single mother, raising two girls in poor conditions, by relocating them to safer housing and connecting them with wrap-around support services.

In an effort to strengthen family functioning and reduce the risk of foster care placement, our Rural Albany County Connections program (RACC) serves rural families at-risk of having a child removed from the home.

Our Pathways to Health & Housing program, with its mobile Care-A-Van unit, is a dynamic street outreach program meeting people where they are to connect them with healthcare, counseling, stable housing, and more.

Foster Care & Kinship Care

When a child is removed from their home, foster care may be an option. Children have shown to thrive in a home setting where they receive nurturing care. Our foster parents are carefully vetted, then required to complete the National Training and Development Curriculum (NTDC) for certification. The children and families in our Foster Care program are supported by our dedicated team 24/7, including: pre-placement planning, ongoing training, respite services, peer support, and planning and implementation of the child's treatment plan. A dedicated team of clinicians, case managers, and social workers work together with foster families to ensure the best possible outcomes.

With the federal government's Family First Prevention Services Act (FFPSA), more and more children are being placed with family or close friends, when they are removed from their home, rather than in group homes. This is known as Kinship Care. Many of these caregivers may not have tended to a child before, or haven't done so in decades, often stepping up in emergency situations. That is where our award-winning program steps in. We connect kinship caregivers with resources and services to support the continued care of the children and youth now in their home. The kinship care model keeps families, along with their familial bonds, intact which is so important to children, especially those in traumatic situations.

Homeless & Housing Services

Homelessness and housing insecurity threaten the health and well-being of families and individuals. Having a roof over one's head is a basic human need.

Our Marillac Family Shelter houses up to 24 families awaiting permanent housing and all units are full. The hiring of an Activities Coordinator has had a tremendous impact on the children and their interactions with peers.

Michael's House is a supportive housing complex providing affordable housing and wrap-around services for 20 families and single adults. This facility remains full throughout the year. Michael's House continues to be recognized by community providers as a preferred choice to place vulnerable youth.

Family Support Services

St. Catherine's offers an array of services for families experiencing issues that threaten their stability. These programs are designed to strengthen families by providing them with the tools and resources to remain intact.

Our Parent Care Program is a clinical program offering intensive, in-home services for parents unable to care for their children without assistance. One of our Case Planners not only located housing for a large family with five children, but prevented them from homelessness and kept the family together as the children were home on a trial foster care discharge.

Health Home Care Management coordinates all of a child's medical needs in a comprehensive manner that includes collaboration and communication with various caregivers to keep them healthy.

Our Child and Family Treatment Support Services (CFTSS) provide clinical and rehabilitation support services to prevent children from entering institutional care. These counseling and psychiatric services stabilize a child or youth in their home and their community.

The Access & Visitation program offers a safe environment for supervised visits between children and non-custodial parents, clinical assessments, parent-skills training, and support groups. We have received wonderful feedback from parents, thanking our team for a positive experience!

R & E May School

Our R & E May School is a special education program that serves students from local school districts. Some students travel an hour-and-a-half, daily, to attend R & E May as the school is one of the last of its kind in the region.

Children in this program tend to have behavioral, educational, and emotional needs that are not easily met in a traditional school setting. This therapeutic program balances education with mental health treatment to ensure each student's needs are being met.

Our census has grown to nearly 50 students, we've added some wonderful new staff, and positive engagement with our students continues to be a focus for our team!

Residential Services

When circumstances arise that are troubling or dangerous for a child – such as neglect, abuse, or other traumas – a family unit becomes untenable and a child may need to be removed from their parents' care. That child needs a safe place to live, grow, and heal while having access to the necessary supports to address any emotional trauma they may be dealing with. St. Catherine's Residential Services provides this exact type of environment and treatment for children needing 24-hour, supervised care.

Through psychiatric and psychological evaluation, individual, group, and family counseling sessions, crisis stabilization, and daily recreational activities our team helps each child heal and return to a permanent home setting, whether in their parents' home, with kin, in foster care, or through adoption.

Ways to Give

Our programs offer stability and hope, opening a world of possibilities for disadvantaged children, families, and adults. Charitable contributions from individuals, businesses, and private foundations help support our mission.

Monetary Gifts

A monetary contribution supports many of the programs and initiatives we offer. Your donation can provide special opportunities for the children in our care, including: summer camps, art classes, equine therapy sessions, and much more.

Items & Services

Your donations allow us to go above and beyond for those we serve. New clothing, shoes, toys, games, and hygiene supplies help us provide essentials to children admitted to our residences, and they allow us to provide necessary items to families and individuals at Marillac Homeless Shelter and Michael's House. Your donations impact so many in need.

Planned Giving

You can plan today to leave a legacy contribution to St. Catherine's Center for Children. Through our partnership with FreeWill, you can create a legally binding will, or make updates to an existing will, and name St. Catherine's as a beneficiary.

Brady Legacy Circle

Our Brady Legacy Circle honors Anthony N. Brady who, in 1912, financed the building of Brady Maternity Hospital and the adjacent building at 40 N. Main Ave. in Albany, that now houses St. Catherine's. In addition to making a bequest provision for St. Catherine's in your will or revocable trust, you can make a life income gift, such as a charitable gift annuity or charitable remainder trust, that names our organization as the remainder beneficiary.

Sponsor or Attend our Events

From our annual spring event, Casino Royale, to our fall golf outing, the Dr. Arthur J. Wallingford Memorial Golf Tournament, our Foundation hosts special events throughout the year. You can support us by sponsoring these events, or simply by attending.

To learn more about these opportunities or to learn about other ways you can support St. Catherine's, contact Michele Puleo O'Hare: (518) 453-6702, or visit www.st-cath.org.

Special Events

The Foundation of St. Catherine's Center for Children hosts events throughout the year in support of our programming, including a couple of signature events. These events are supported by generous sponsors – both corporate and private – and those who attend these events. Additionally, the Foundation works to raise awareness of the Agency's offerings to ensure those who need us, know we are here for them.

15th Annual Spring Event: Casino Royale

On May 29th at Franklin Plaza in Troy, New York, our Foundation hosted more than 200 friends of St. Catherine's for our 15th annual spring event, Casino Royale. Thank you to our event sponsors, guests, volunteers, and our honorees.

We had a wonderful ceremony honoring the following individuals and organization for their many contributions to St. Catherine's: Board Member Mark Ustin of Farrell Fritz, P.C., Rich and Melissa Carrier of Total Events, and Sunmark Credit Union.

Once the ceremony concluded, our sponsors and guests enjoyed wonderful food and drink, gaming tables, music, a photo booth, a wine pull, a silent auction, and our Grand Prize Drawing: a Las Vegas getaway for two. This was the event's best year yet, and all in support of the many programs and services we offer to the Capital Region and beyond.

2nd Annual: Lansingburgh Connects Hockey Clash

From September 5th – 8th, the Foundation hosted its 2nd Annual hockey tournament in support of our Lansingburgh Connects program at Frear Park Ice Rink in Troy, New York.

The event brought local adult hockey teams together for a fun and fast-paced weekend of frozen action in an effort to collect food, toiletries, cleaning supplies, and more of the items most requested by the program's clients.

We're grateful to our friends at the Albany Troy Lions Club who came out to give their support! They helped us with the event logistics, welcoming those in attendance and collecting all the donations we received. Community members donated \$2,500 worth of personal hygiene and household cleaning products to support our Lansingburgh Connects program.

6th Annual: Dr. Arthur J. Wallingford Memorial Golf Tournament

September 16th, 2024 was a gorgeous day, in stark contrast to the rains of 2023. The golfers and sponsors of our 6th Annual Dr. Arthur J. Wallingford Memorial Golf Tournament took full advantage of the great weather.

We're grateful to each and every sponsor, especially our Presenting Sponsor, The Sirco Family Foundation which has always supported us throughout the years. We'd also like to extend a thank you to each golfer, vendor, and volunteer who joined us.

Once again, this annual event at Colonie Golf & Country Club in Voorheesville, New York was a success! Not only did our participants enjoy a fun day, but they raised critical funds in support of St. Catherine's programs and services.

Elvis: Good Rockin' Tonight

On Saturday, November 16th, the Foundation of St. Catherine's Center for Children hosted Elvis: Good Rockin' Tonight, a tribute to the King of Rock 'n' Roll at The Egg in downtown Albany!

Hundreds of "The King's" fans from all around the Northeast enjoyed an incredible evening with two premier Elvis tribute artists as they rocked The Egg with Elvis's greatest hits from the '50s, '60s, and '70s. We're so grateful to David Lee, Dan Fontaine, and the Memphis Sun Mafia band for putting on a spectacular show!

Hope for the Holidays

Foundation and Agency team members, along with countless volunteers, collected more than 3,000 gifts from six Capital Region locations hosting trees. These gifts were wrapped and distributed to families in need, providing hope to hundreds of families and individuals.

Thank you to all, including our wrapping day volunteers and tree hosts, Academy of the Holy Names, Allusions, Aviation Mall, Colonie Center, East Greenbush Bowling Center, and the Roman Catholic Diocese of Albany.

Gifts: July 1, 2024 Through June 30, 2025

Our donors are very important to us. If your name has been inadvertently misspelled, omitted, or is not listed in the way you wish, please call (518) 453-6700 to help us correct our records.
